To Whom It May Concern:

This letter is to verify that Dan Eccles, Morgan Clay, Peyton Collins, and Oliver Young are students in good standing currently enrolled in the Dodge College of Film and Media Arts at Chapman University. They are working on a student production tentatively titled *"Ganas"* scheduled to shoot November 30 – December 02 and December 07-09, 2012. This is a required project for FTV 430 –Senior Thesis with Professor Andy Lane and is not for commercial purposes.

The film projects that our students make each year are often dependent on generous support from members of our community. The Dodge College of Film and Media Arts and the School of Film and Television have grown in reputation over the past few years to become a preeminent film school in the nation because of the quality of students we accept and the successes of the films they make.

Thank you in advance for your assistance with this production. If you need any further information, do not hesitate to contact me.

Sincerely,

Sean Riddle
